The goal of the Tremont Area Park District: is to provide girls an opportunity to learn and practice the fundamentals of basketball in a structured setting and to experience basketball at a competitive level against other teams their age. Our goal is to prepare the players for junior high and high school sports. Keeping kids active and participating in team activities is essential. Youth sports develop confidence and character and allow kids to have fun. Keeping our youth together will prepare them to play together in junior high and high school.

Games/Practices: TRAVEL - Approximately 15-20 games are scheduled for each team.

Games are normally played on weekends beginning in September and continuing through November. Home games are played at Tremont High School. Practices are scheduled twice a week at the Tremont Grade School Gym. Our away games consist of traveling to our surrounding communities within a 25-30 mile radius.

Cost: TRAVEL - There is a \$110.00 participation fee for each player, payable to TAPD prior to the first week of practice. This fee goes towards the cost of patched officials, insurance, tournament fees and gym usage fees.

Coaching: Our coaches are VOLUNTEERS. If you are interested in coaching, assistant coaching or helping with a 4th grade team, please complete our coach application/contract found on the website or call the Park District at (309) 925-3811.
