

**The following provisions shall govern the off-street parking of all vehicles in all residential districts.**

Vehicles are defined as all motor vehicles and trailers, including, but not limited to, automobiles, trucks, travel trailers, campers, motor homes, tent trailers, boats, boat trailers, personal watercraft, personal watercraft trailers, snowmobiles, snowmobile trailers, and camping trailers.

Parking a vehicle in any front yard in all residential districts is prohibited other than in the driveway, not extending onto the sidewalk or at least eight (8) feet back from the edge of the street.

Vehicles may be parked in side yards providing the side yard setback is maintained. The distance from the side lot line to the closest edge of the vehicle may not be less than the required setback.

No vehicle shall have its wheels removed or be affixed to the ground so as to prevent its ready removal.

No vehicle shall be parked or stored so as to create a dangerous or unsafe condition. The ground under or surrounding the location wherein a vehicle is stored shall be free of weeds, debris and combustible material.

No vehicle shall be parked where it would impede traffic safety by blocking the view of oncoming vehicles and/or traffic signs.

No vehicle shall be parked in such a manner as to obstruct the view of cars pulling out of any driveway onto the street, or, in the case of corner lots, to obstruct the view of cars approaching an intersection.

No vehicle used for the transportation of flammable liquids, explosives, toxic or noxious materials shall be parked or stored in a residential district in any capacity

**Penalties**

Any vehicle parked in violation of this section is subject to a fine of \$50.00 per day, with no cap.
