Flags at the Tiber

A small group of military veterans have been working on a project to place 14 flags around the Tiber Creek. Nine will be American flags and each of the remaining five will represent the five branches of the military. We want this project to be something all members of our community can support and be proud of. Foundations for each flag are in and the flags will be installed at 9am on September 1st. We hope members of the community will come to witness the completion of the project on that day.

If you would like to donate towards the Tiber Creek Flag Project, please consider sending a check to Winning Communities, P.O. Box 76, Tremont, IL. 61568. Be sure to write Tiber Creek Flag Project in the memo of the check so it can be accounted for.
