Did you know...?

In early 1840, just five years after Tremont was founded, two stage coach lines were established between Peoria and Bloomington, and between Peoria and Springfield. Mail, passengers and express packages were carried daily by four-horse teams. Several years later, one of the passengers was the young lawyer, Abraham Lincoln. When the weather was nice, he would sit up on the seat with the driver the entire way from Peoria and Springfield, entertaining with stories and jokes, for which he was famous.

Research Room Dedication and Open House

At the Tremont Museum, volunteers are busy transforming the middle room in the museum into "The Don Nieu Kirk Research Area."

Don was a charter member of the Tremont Historical Society, extremely active in obtaining items and sharing information about the history of Tremont for many, many years. He loved to research, and wrote books about it, available for sale at the museum. There will be a dedication and open house at the museum and a sneak peek at the future Agricultural Heritage Museum next door (work still in progress). The public is welcome to attend on Sunday, April 28 at 2 PM.

Because of the dedication and open house on Sunday the 28th, the museum will NOT be open on Saturday the 27th as was scheduled.

Beef Brisket Fundraiser – Tremont Lions Club

Tremont Lions Club will hold its Beef Brisket Sandwich fundraiser on Saturday, April 27th from 10AM to 2PM or until we run out of food. Food is prepared again by Chef Dan Mathis and your local Lions Club members.

This year we will be located on the south end of Camden's Chiropractic Center's parking lot (near First National Bank). This is also the date of the town-wide garage sales.
