### **Letter from District 702 Superintendent**

Please read the following for the latest District 702 update:

#### **COVID-19**

### **Did you know...?**

Have you ever noticed the iron railing and the steps at the base of the Columbia Building under Perdue's Grill?

At one time, many people used those steps when they went to see their favorite barber.

Aaron Bertsch owned the barber shop located there. He later moved his shop across S. Sampson Street, into a building where the Baptist Church parking lot is now, next to Louisa Jane's.

Does anyone have a picture of either of Bertsch's shops?

While you are staying home, during this Coronavirus outbreak, you can help the museum by going through old photos, looking for pictures around Tremont, or any other photos the museum might be interested in copying.

Let us know what you find! 309-840-0094.

## Cash for Classrooms - Casey's Rewards

We're excited to share that our school is participating in Cash for Classrooms, part of Casey's Rewards. This opens Tremont Grade School to new funding opportunities to help improve learning environments for students.

The best part? Donations don't come out of your own pocket. When you buy from Casey's and use their rewards program you can simply turn your points into a donation to our school. Help Tremont Grade School make the most of this program and learn more at [Caseys.com/schools](https://www.caseys.com/schools).

Sincerely,  
Tremont PTO
